The Secretary,
Reunion Organising Committee,

Dear Adrian,

I would like to thank you and the Committee and others who may have been involved in bringing the 40 year reunion of Point Pass Speedway together. The day was a total success and was thoroughly enjoyed by everyone that I spoke with.

Would you please pass on my thanks and congratulations on putting on such a successful day for all those involved.

It was certainly a first and I hope it is well recorded and preserved for future interested parties to see.

Many Thanks

Yours Sincerely

Bob Hoag
